

Phase I Paving

Information
&
Schedule

Phase I Schedule 4/11 – 4/27

On the following dates, the following addresses will be impacted by the contractor who will be milling and prepping the mews for paving. The contractor will be working from 8 am – 5 pm and your mews will be inaccessible for ingress or egress during those hours. Please consult the schedule below and plan accordingly. You will be able to drive on the milled surface after 5 pm. This part of the paving project will be a one day event per address, weather permitting. The schedule will be adjusted if days are lost due to weather, please check back for updates.

Remove items from your garage apron prior to the contractor working in your mews. If you want your garage apron or parking pad paved during the project, contact Rich Chilcoat at Atlantic Maintenance Group at 410-768-4720 or via e-mail at rich@amgmd.com for a quote.
